Purpose:

USACE-IWR is providing technical assistance to the Secretariat of the 4th World Water Forum (WWF). Mr. Alcalá has been in Mexico City since mid February 2005 and will remain on assignment through the end of the event in March 2006. USACE has been assisting the Secretariat on multiple fronts; facilitating several seminars, assisting with negotiation with the World Water Counsel, providing briefings and presentations at numerous local (Mexico City) national (Mexico) and international (Canada, Europe, US) events.

Objective:

-Ensure that US organizations and agencies have an opportunity to participate in the 4th WWF.
-Act as the liaison between the US entities and the Secretariat. -Ensure that the agreement between USACE and Mexico's National Water Commission is negotiated and executed. -Strong USACE participation during 4th WWF.

Benefits:

-Improved partnership across US agencies and levels of governments. -Improved international relations between USACE and Mexico's National Water Commission. -Build trust with officials within the Mexican government.
